

## Chicken Soup

*Spoken:* It's a special recipe and its' a secret, too.  
Grandma made it up for me when I had the flu.  
But Santa's very sick now, so here's what I will do.  
I'll bring that recipe right out and make it up for you!

*Sing:* We're making chicken soup, from Grandma's recipe.  
Chicken soup, as tasty as can be!  
Add some carrots, stir the pot!  
Watch out 'cause it's getting' hot!  
Makin' chicken soup today!

*Spoken:* A dash of salt! And pepper, too!  
Oregano! A dash will do!  
Now mix it up! And take a sip!  
Be careful now! Don't burn your lip!

Chicken soup, as tasty as can be!
